Chamber recognized for energy conservation

Carroll Tomorrow and the Carroll County Chamber of Commerce was recently highlighted as one of five top success stories from the Grants to Green Initiative. Our organization demonstrated significant energy and cost savings of approximately 32% as a result of implementing recommendations made on a water and energy audit conducted by Southface.

The Chamber story was highlighted in marketing materials for Grants to Green. While all grantees benefited in some way from their involvement in the Grants to Green Initiative, we were chosen because of our significant energy and cost savings and because we had made a commitment to furthering environmental sustainability with our organization and with the communities in which we serve.

Our audit recommendations included retrofitting T12 lighting with ultra efficient T8 lights, installing compact fluorescent lighting where appropriate, installing programmable thermostats, and upgrading an existing HVAC unit. Additional recommendations from the audit included repairing duct boots, applying film to windows and skylights, and updating exit signs to LED lamps. Estimated total cost for completing these projects was nearly \$18,000 for an annual projected savings of \$4,558 with an estimated payback period of three to four years.

As of December 2010, all projects, with the exception of the film on the skylights have been completed. In

that time, we have achieved a 32% reduction in energy use for a projected annual savings of nearly \$4,800.

Grants to Green, has helped dozens of metro Atlanta nonprofits reduce their environmental impact while increasing the cost-efficiency of their operations. Through a partnership with The Community Foundation for Greater Atlanta and Southface Energy Institute, a national expert in “green” building engineering, Grants to Green gives nonprofits the opportunity to renovate or build healthier work places that are environmentally efficient.

To date, Grants to Green has conducted six grant cycles and awarded 73 Assessment Awards and 33 Implementation grants to over 60 organizations located throughout the metropolitan Atlanta area. The Community Foundation for Greater Atlanta has invested \$292,000 in assessment awards (valued at \$4,000 each) and \$976,400 for implementation awards since the Initiative’s inception. With the generous support of the Kendeda Fund, the Grants to Green Initiative will continue to help additional Atlanta-area non-profits reduce their carbon footprint and realize cost savings in 2011.

The Burson Center

Carroll County....

Where Learning is Life-Long

There will be over 30 groups present detailing educational initiatives available to Carroll County families of all ages. Enjoy door prizes and lots of great giveaways. The event is FREE and open to the public.

We'll see you there!

2011 Leadership Academy begins

The 2011 Carroll Leadership Academy kicked off in February with an orientation led by professional development coach, Dr. Shirley Garrett. Garrett has been the opening presenter for Leadership for many years and is able to set a motivational tone for the new class, "For years I have had the privilege of working with the Academy," continues Garrett, "We discuss the role of the modern day leader and hopefully they leave with a commitment to aspire to make an even greater difference in Carroll County."

Leadership Academy is a fifteen-session program of intense team building, community awareness and leadership skills training. Past participants go on to be some of the community's most active volunteers and future leaders.

This year's class includes Dennis Brightman, Edward Jones; Hayley Dodd, Indulge Salon & Day

Spa; Chris Gammon, Printpack, Inc.; Marc Griffith, Carroll County Sheriff's Office; Kimberly Grisham, Systems & Methods Inc.; Xiomara Hamilton, Carroll EMC; Joe Harris, Multi-Pest Services; Kelly Hester, Carroll EMC; Chad Houck, Carrollton Mainstreet (Irish Bred Pub & Grill); Robert Jackson, NAACP Re-entry Carroll County; Ben Johnson, Systems & Methods Inc.; Sheree Kimball, Carroll County CASA; James Layton, Carroll EMC; Carla Maner, Carrollton Mainstreet (The Nest); Frank Moody, Carroll County Sheriff's Office; Dail Morris, Southwire; Taylor Powers, Tanner Health System; Austin Pugmire, Pugmire Ford; Pam Reynolds, Carrollton Mainstreet (Rome St. Gallery); William Rogers, First American Payment Services; Jason Templeton, Regions Bank; Amy Tietjen, Carroll Rape Crisis Center; Barbara Tipton, West Georgia Technical College; and, Jim Watters, Southwire.

System STAR Student & Teacher honored

The Chamber of Commerce hosted the STAR Student Teacher Achievement Recognition awards on Feb. 24 with a special ceremony at the University of West Georgia. The Chamber's Workforce Education Committee has co-hosted this program for over 50 years recognizing local highest achieving high school seniors and their teachers who they choose as having the most influence in their academic development.

During the ceremony, students from the Carroll County School System, the Carrollton City School System and Oak Mountain Academy were recog-

nized. The honorees, their parents and school administrators heard an inspiring keynote presentation from Kirby Butler, Vice President of United Community Bank of West Georgia.

Local high school honorees included Bowdon High School student Anne Jenkins and her teacher Dr. Sheila Reed; Carrollton High School student Karl Sanchez and his teacher Kristie Bradford-Hunt; Central High School student Emily Wakefield and her teacher Heather Long; Mt. Zion High School student Kelli Dunagan and her teacher Michael Cleek; Oak Mountain Academy student Alex Goldsmith and his teacher Andy Denny; Temple High School student Amanda Paulson and her teacher Tammy Kinney; and, Villa Rica High School student Hannah Hurst and her teacher Samantha Green.

Carrollton High School senior Karl Sanchez and teacher Kristie Bradford-Hunt were awarded the City System honor, and Villa Rica High School senior Hannah Hurst and teacher Samantha Green were named County System winners. System winners will compete for the Regional STAR honor in Rome next month.

Villa Rica—DDW city

Did you know?

Chamber Drugs Don't Work Coordinator, Joan Finch, congratulates Villa Rica City Manager Larry Wood, on the city's recent certification as a DDW city.

Seventy-seven percent of illegal drug users are employed. The chamber can help you with the state's certification process. It takes 20 minutes to explain the process and it is just 5 easy steps. And not only will you have a safe, drug free workplace, you

will save 7.5% on your workers compensation insurance. It inspires confidence for your customers to see the DDW sign on your door or the logo in your brochures.

If you are already certified with the state as a Drugs Don't Work company, you already are saving 7.5% off of your worker's comp insurance, but because you are a chamber member, you can save at least half off on your educational materials. Contact joan@carroll-ga.org for more information.

*Women's Business Alliance
wishes to express
appreciation to our event
sponsors:*

*Gold
Georgia Power
Southwire*

*Bronze
West Georgia Center for
Plastic Surgery
American Document Securities*

*for their support of the recent
'New Year, New You'
program!*

One of your **Chamber Benefits** is that you can put brochures and business cards out in the Chamber lobby where new residents, visitors and other chamber members can pick them up.

For a fee of \$100 per year, you can have your brochures inserted into the relocation packages. We mail them out, free of charge, and hand them out to those interested in moving to the area. Several businesses get them in bulk for recruitment of new employees. Contact: joan@carroll-ga.org if you are interested.

New Year – New Savings! Chamber Offers Lower Cost Alternative to Health Insurance!

As our new year starts Blue Cross Blue Shield of Georgia (BCBSGa) is offering a lower cost product through the *MemberCare Alliance* program, sponsored by the Chamber of Commerce, that offers lower prices for qualifying business members!

The products, called Blue Essentials, provide solutions for employers struggling with health insurance affordability. These lower cost alternatives were specifically designed for employers who might cut back or eliminate health coverage altogether because of budgetary constraints.

Blue Essentials plans offer deductibles of \$1,000 or higher and reductions in certain benefits. However, employees can still receive \$20 office visit copays and 80% coinsurance reimbursement for in-network covered items. They would also receive the protection and personal security of having Blue Cross and Blue Shield of Georgia as their insurer.

The best news is that all of BCBSGa's plans are available at reduced premium rates to eligible small and medium size business members of our Chamber of Commerce! Through the group "buying power" of the *MemberCare Alliance of Carroll CountySM*, we are part of a statewide network of over 130 Chambers of Commerce making available these insurance products to Chamber member businesses. The *MemberCare Alliance of Carroll County* program includes a variety of discounted insurance products, such as: group term, voluntary and dependent life insurance, group dental insurance, group long term and short term disability, accidental death and dismemberment and long term care insurance. All these products are, of course, available through participating Chamber-member insurance agents.

For more information on any of these insurance offerings, please call the Chamber, one of your participating Chamber-member insurance agents, or

Purchasing Alliance Solutions, Inc., (the company that developed *MemberCare Alliance of Carroll County* program) at 770-579-1214 or 1-800-782-8254 ext. 3014.

The graphic is a vertical rectangular box with a light blue background and a dark blue border. On the left side, there is a large, stylized letter 'C' in a light blue color. To the right of the 'C', the text 'Carroll County Chamber of Commerce' is written in a dark blue, sans-serif font. Below this, the title 'Network Sponsorship Opportunities' is written in a larger, dark blue, serif font. Underneath the title, there is a question in a dark blue, sans-serif font: 'Are you looking for ways to bring forty or more potential customers in your door?'. This is followed by a paragraph of italicized text in a dark blue, serif font: 'Whether your business is small, medium or large, the Chamber provides opportunities to increase your visibility with a growing number of business leaders and decision makers—Sponsor a Network After Hours or Wake-up Call event in 2011!'. At the bottom, there is another paragraph in a dark blue, sans-serif font: 'For more information on Chamber event sponsorship opportunities, call 770-832-2446 TODAY.'
